**Subject No. 327.**
**A Sub Taluk and a Sub Registrar's Office at Thyamagondlu.**

*Summary of discussion.*—If the transfer of the Taluk Cutcherry and Munsiff's Court from Nelamangala to Thymagondlu is impracticable, it is prayed that a Sub-Taluk and a Sub-Registrar's office may be opened there.

*Reply of Government.*—Not feasible.

**Subject No. 328.**
**Notice of Revenue arrears on attached lands to decree holders.**

*Summary of discussion.*—Lands attached under decree of a Civil Court are often sold by the Revenue Department for arrears of revenue due thereon without notice to decree-holders at whose instance they were attached. This is hard. It is requested that the Taluk officers be instructed to issue to decree-holders a notice of revenue arrears due by the defaulter.

*Reply of Government.*—Interested persons can have their names registered so as to entitle them to notice.

**Subject No. 329.**
**Agricultural Bank for Nelamangala.**

*Summary of discussion.*—The establishment of an Agricultural Bank at Nelamangala is prayed for.

*Reply of Government.*—The Deputy Commissioner will forward any application received.

**Subject No. 330.**
**Inamdars' toddy.**

*Summary of discussion.*—Inamdars may be allowed to deal with the toddy of their date trees in the same way as holders of unalienated lands.

*Reply of Government.*—Noted.

**Subject No. 331.**
**Feeding at Hoskote chattram.**

*Summary of discussion.*—The practice of giving cooked food to travellers has been discontinued in the Government chattram at Hoskote, and raw rations are now being issued instead. This being inconvenient to Brahmin travellers, the old practice may be revived.

*Reply of Government.*—Vessels are given to enable able-bodied travellers to cook, while cooked food is served to old and infirm travellers.
